TRANSMITTAL OF
INFORMATION DISCLOSURE STATEMENT
AFTER APPLICATION FILING DATE

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Enclosed is a completed PTO Form 1449 which has six (6) pages.

No references are enclosed because all the references listed on the 1449
were provided previously in the parent case, Serial No. 08/973,195.

No fee is believed to be due because the applicants believe that this statement
and enclosures are being filed before the first Office Action on the merits has been
mailed by the U.S. Patent Office.

This paper and enclosures are believed to be entitled to consideration under 37
C.F.R. § 1.97, based on the facts stated above. The Examiner is required to initial both

copies of the enclosed 1449 and return one copy to the applicants to indicate consideration of the references in this application.

This submission is in no way intended as an admission that the cited references constitute prior art under any subsection of 35 U.S.C. § 102. Applicants expressly retain the right to take any actions necessary to remove the cited references from the available prior art.

The Commissioner is hereby authorized to charge any additional fees which are presently required, or credit any overpayment, to Deposit Account No. 13-0017.

Respectfully submitted,

A handwritten signature in cursive script, reading "Ronald E. Larson", written over a horizontal line.
